

# Muhammad Ammad

## Web & App Developer

Address: House C-142 Sector-4/F Mominabad Orangi Town Karachi

☎ Phone: 03112338841

✉ Email: ammad0598@gmail.com

## Experience

### Freelance / Self-employed

June 2024 – June 2025

Key Responsibilities & Achievements:

- Developed responsive and dynamic websites using React.js, Next.js, HTML5, CSS3, and JavaScript.
- Built full-stack web applications with Next.js App Router, integrating modern design systems and performance optimization.
- Created RESTful APIs and backend logic using Node.js and Express.js, and integrated them with frontend interfaces.
- Developed and deployed cross-platform mobile applications using React Native.
- Worked with third-party services like Firebase, EmailJS, and FormSubmit for authentication, database, and email functionality.
- Used Git and GitHub for version control and collaborative workflow.
- Designed UI components based on Figma designs and delivered pixel-perfect layouts.
- Deployed applications using Vercel, Netlify, and GitHub Pages.
- Collaborated with clients to understand requirements, propose solutions, and deliver projects on time.

### Technologies Used:

React.js, Next.js, React Native, HTML5, CSS3, JavaScript, Node.js, Express.js, Firebase, Git, GitHub, Vercel, Tailwind CSS, Bootstrap, Figma

## Education:

### Matriculation (Science Group)

Board of Secondary Education [Karachi]

Year Passed: [2023]
